At Milestone Language Solutions, We Offer:

- **Translation Services:** Expertise in English, Spanish, French, Portuguese, German, Italian, Russian, and more
- **Language Teaching:** Online and on-site lessons for adults, children, teens, and seniors
- **eLearning Course Design:** Tailored solutions for effective online learning experiences

We dedicate our time and energy to a select number of projects, ensuring each one receives meticulous attention and thoughtful planning. Our goal is to deliver exceptional results and build lasting relationships with you, your colleagues, family, and friends.

LANGUAGE TEACHING

- Effective, efficient, engaging and memorable language learning experiences
- English, Spanish, among other languages
- Online, on-site (individual or group) lessons
- Beginner, elementary or advanced levels
- General language lessons or tailored to specific purposes (business, hospitality, etc.)
- Conversation, book or movie club
- Fun structure that keeps you motivated
- Immersion Spanish program abroad or online language lessons with native language instructors who reside abroad.

DESIGN OF E-LEARNING COURSES

- Comprehensive eLearning Solutions
- Partnership with HR: We collaborate to create cultural diversity, compliance, leadership, employee orientation, sales, soft skills, and customer service training courses, among others.
- High customization based on your specific needs
- Language options: Available in English or translated into other languages
